Choices made simple.

Thank you for selecting Blue Cross and Blue Shield of Florida, Inc. for your health coverage needs. We'd like to show you how to get the most out of the plan you've chosen.

Visit in-network providers to lower your out-of-pocket costs

Your health plan is open-access, which means you can pick any doctor or hospital you want, whenever you want. However, you may be able to lower your out-of-pocket costs if you use providers who are part of our Miami-Dade Blue provider network. The Miami-Dade Blue network is made up of independent hospitals, physicians and ancillary providers and is considered 'in-network' for your plan. To take full advantage of your coverage and benefits, we encourage you to use the services of providers who are part of Miami-Dade Blue network whenever you need medical attention.

Please keep this list of providers nearby for easy reference when you need to select a provider for medical care. Also included are pharmacies and dentists that are in-network for your plan. Please refer to our online Provider Directory for the most up-to-date information. Here's how:

1. Log on to our website at **www.bcbsfl.com**.

2. Under **Quick Links**, click on Find **A Doctor or Hospital**

3. Then, simply follow the prompts to locate a participating in-network provider in your area

Note: Changes to the Provider Directory can occur at anytime. It is your responsibility to determine whether a specific provider is participating for your health plan at the time you receive Covered Services.

Where you go determines what you pay

Before selecting a provider, please refer to your coverage documents* for specific details on how to maximize your coverage and lower your out-of-pocket costs. The amount you are responsible for paying will vary whether you visit a hospital, a doctor's office, a surgical center or specialists—or if you stay in-network or choose an out-of-network provider.

This listing of providers is not part of your coverage documents. Always refer to your coverage documents for a full description of your health care coverage, benefits, exclusions and limitations.

**For members who have coverage through their employer, coverage document(s) refers to your Benefit Booklet, Schedule of Benefits, and any Endorsements, if applicable.*

**For individuals who are the Contract holder, coverage document(s) refers to the Contract, Outline of Coverage, Schedule of Benefits, and any Endorsements, if applicable.*

Opciones simplificadas.

Gracias por elegir Blue Cross and Blue Shield of Florida, Inc. para cubrir sus necesidades en materia de salud. Nos gustaría mostrarle cómo aprovechar al máximo el plan que usted ha elegido.

Visite a nuestros proveedores dentro de la red para disminuir sus gastos de desembolso.

Los planes BlueOptions son de acceso abierto, lo que significa que usted puede escoger el médico o el hospital que desee, cuando lo desee. Sin embargo, usted podría disminuir sus gastos de desembolso si utiliza los proveedores que forman parte de nuestra red de proveedores Miami-Dade Blue. La red Miami-Dade Blue está compuesta de hospitales, médicos y proveedores auxiliares independientes y es considerada 'dentro de la red' para su plan. Para aprovechar por completo su cobertura y sus beneficios, lo alentamos a que use los servicios de proveedores que son parte de la red Miami-Dade Blue cuando necesite atención médica.

Mantenga esta lista de proveedores a su alcance para una fácil consulta cuando necesite elegir un proveedor para su atención médica. Los dentistas y farmacias que participan dentro de la red de su plan también están incluidos. Por favor, consulte el Directorio de Proveedores por Internet para obtener información actualizada. Aquí le explicamos cómo hacerlo:

1. Inicie sesión en nuestro sitio en Internet en **www.bcbsfl.com**.

2. Bajo **Quick Links (Enlace rápido)**, haga clic en **Find A Doctor or Hospital (Encuentre un Médico u Hospital)**

3. Después, simplemente siga los pasos para ubicar al proveedor participante dentro de la red en su área.

Tenga en cuenta: Cambios en el Directorio de Proveedores pueden ocurrir en cualquier momento. Es su responsabilidad determinar si un proveedor específico está participando en su plan de salud en el momento en que usted recibe los Servicios Cubiertos.

El lugar a donde va determina lo que usted paga

Antes de elegir un proveedor, consulte los documentos de su cobertura* para ver los detalles específicos acerca de cómo aprovechar al máximo su cobertura y disminuir sus gastos de desembolso. La cantidad que usted debe pagar variará, según se trate de una visita a un hospital, al consultorio de un médico, a un centro quirúrgico o a un especialista, o dependiendo de que usted permanezca dentro de la red o escoja un proveedor fuera de la red.

Esta lista de proveedores no forma parte de sus documentos de la cobertura. Siempre consulte los documentos de su cobertura para una descripción completa de su cobertura, beneficios, exclusiones y limitaciones.

**En el caso de los asegurados que tienen cobertura a través de su empleador, la documentación de la cobertura se refiere al Folleto de Beneficios, el Plan de Beneficios y cualquier Endoso, si corresponde.*

**En el caso de los individuos que son titulares de Contrato, la documentación de la cobertura se refiere al Contrato, la Descripción de la Cobertura, el Plan de Beneficios y cualquier Endoso, si corresponde.*
