*Rates and benefits are for informational purposes only, are non-binding and subject to change without notice. Actual rates and benefits may vary based upon the information received with the application (including the enrollment information) and underwriting review. This preliminary rate sheet should be read in conjunction with the more detailed benefit descriptions, exclusions and limitations, and underwriting guidelines contained in your Aetna product brochures. Medicare rates are based on employee information only and are subject to final review. Dependant Medicare status may cause rates to change at final enrollment. (e.g. A Medicare primary group with an employee who is 65 plus with a spouse who is under 65). For more information, please contact your licensed agent or Aetna Sales Representative. HMO benefits are provided or administered by Aetna Health Inc. PPO and Traditional Choice benefits are provided or administered by: Aetna Life Insurance Company. The State of Florida requires all employers with 4 or more employees to carry Worker's Compensation coverage. For groups of 1 - 3 covered employees, these rates assume you DO NOT have Worker's Compensation health coverage. For groups of 4-50, these rates assume you DO have Workers' Compensation health coverage. Should either assumption be incorrect, we reserve the right to adjust the rates accordingly.*

Rates and benefits are for informational purposes only, are non-binding and subject to change without notice. Actual rates and benefits may vary based upon the information received with the application (including the enrollment information) and underwriting review. This preliminary rate sheet should be read in conjunction with the more detailed benefit descriptions, exclusions and limitations, and underwriting guidelines contained in your Aetna product brochures. Medicare rates are based on employee information only and are subject to final review. Dependant Medicare status may cause rates to change at final enrollment. (e.g. A Medicare primary group with an employee who is 65 plus with a spouse who is under 65). For more information, please contact your licensed agent or Aetna Sales Representative. HMO benefits are provided or administered by Aetna Health Inc. PPO and Traditional Choice benefits are provided or administered by: Aetna Life Insurance Company. The State of Florida requires all employers with 4 or more employees to carry Worker's Compensation coverage. For groups of 1 - 3 covered employees, these rates assume you DO NOT have Worker's Compensation health coverage. For groups of 4-50, these rates assume you DO have Workers' Compensation health coverage. Should either assumption be incorrect, we reserve the right to adjust the rates accordingly.
